

NOT TODAY

THE FINAL RULE · DAY 1 = TUE 22 SEP 2026 · 90 DAYS FULL · PRINT & STICK ON THE FRIDGE

“NO SCREEN CROSSES THE DOOR. EVERYTHING PAYS IN KILOMETRES. THE WITNESS KNOWS EVERYTHING.”

THE DEVICE RULE

Inside the house, the complete list: **dumb phone · alarm clock · speaker · watch (off the wrist at 9:30)**. Everything else — Mac, Windows/VNT, iPhone, second phone, tablet — lives in the office vault or the car lockbox (sealed until 8:55). Car = launchpad, never pantry. Pickup always ends OUT. No device is exempt — not even the locked Mac. Bed = sleep only. Awake 20 min → get up.

THE WIFI CLAUSE – 90 DAYS FULL, NO LOOPHOLES

Days 1–90: WiFi OFF. No device crosses the door. No staged returns. The Mac, the WiFi, everything returns on **Day 90** — under the guard's watch. Only 5 forced exceptions (illness · emergency · lockdown · festival · critical work): witness told **FIRST**, device in the bag, daylight at the table, never after 9:30, logged, expires when the force ends.

THE PENAL CODE – BASE 100 KM CYCLE

VIOLATION	PRICE
1 · Device crosses the door (any connection)	100 km cycle (+50/h extra day · +100/h night)
2 · Device used inside the house	200 km cycle
3 · Device in bedroom / after 9:30	300 km cycle
4 · Faked exception / lying / guard off / snitch silenced	400 km cycle + no exceptions 30 days
5 · Never-miss-twice broken (2 slips in 7 days)	500 km cycle that week
6 · Blocked-site session (DNS)	20 km cycle per 15-min burst
7 · Unpaid after 48h	Doubles. No proof = doubles again

Payment: cycle 2 km = 1 · walk 1 = 1 · run 1 = 1 · swim 1 km = 4 — any combination. Dedicated, labeled, GPS-logged, EXTRA (above the daily workout), proof to the witness. Never punished with: self-hate, a reset clock, new oaths, public posting.
